CAWELO GSA MEETING NOTICE

Workshop to Discuss Groundwater Sustainability Plan Activities that Include the Local Groundwater Model, Water Budget, Potential Yields, and Minimum Yields

Thursday, February 28, 2019
9:00 AM – 11:00 AM

Meeting Location

Cawelo Water District
17207 Industrial Farm Road
Bakersfield, CA 93308

The purpose of the workshop is to discuss certain key elements of the Groundwater Sustainability Plan development. The meeting will cover local groundwater modeling efforts and groundwater budgets. Also, the meeting provides an opportunity to engage the stakeholders and conduct open discussions on potential groundwater yields, allocation concepts, and establishing groundwater thresholds. This is the third meeting of the CGSA's outreach efforts to provide stakeholders an opportunity to offer comments and participate in the development of the Groundwater Sustainability Plan.

Please RSVP by February 27, 2019. You can contact the office by phone at 661-393-6072 or by email at officeadmin@cawelowd.org.
